Dear Helen & Elmer,

I just wanted to thank you for the beautiful clock you sent us for Christmas. We really love it and it looks so nice on our mantel above the fireplace! It was so thoughtful of you.

Did you have a merry Christmas in Washington? We certainly had fun in New York as Jim told you on the phone. I had never been there before so I really enjoyed seeing the "big city"! I especially liked it because there are so many things to see & do —

While we were there, we went to the Metropolitan Museum of Art, a Broadway play, a couple of good shows, as well as to the sights such as the Empire State Building, etc. And during the day we walked - and walked. (The sidewalks are endless - so we got plenty of exercise!)

Today is New Year's Eve and Jim & I are sitting in our living room watching the snow fall outside. We are going to a party later this evening so I hope it doesn't get too slick right away, although it's really pretty when it first

Comes down.

Tomorrow we are going to cook
a goose for dinner! It should
be fun and good eating.

What are your plans for New
Year's Eve? Hope you have fun.

We sure enjoyed seeing you
over Thanksgiving!

Love,
Vicki
